Friends Visit

U.K.Quaker well-wishers Mark & Judy Moody-Stuart visited Friends Girls School Sohagpur for three days 8th,9th and 10th January. Mark and Judy had been connected with Sohagpur School for more than 30 years., originally from the Netherlands. Their visit started with a warm welcome and cultural display by the children. The second day started with a school campus visit and discussions, followed by a pleasant sight-seeing trip in the countryside: forest tiger reserve, river boating and seeing a crocodile. Then on their last day the School Governing Board Chairman and Members came to meet them and discussions were held about the future of our historical Quaker School. A formal celebration and conversation was requested with the children and a supper shared with staff closed the day. The children and staff very much enjoyed their visit.
